Fuga dagli inferiQ, said the shotgun to the head.Livio MehusThe Aeneids of Vergil in the Middle AgesTransmedia Storytelling and the New Era of Media Convergence in Higher EducationLettera all'italianaLa CulturaLe irfazioni alle regole del canone sono proprio quelle forze centrifughe che danno alla letteratura il suo aspetto proteiforme, la costringono, tramite gli strumenti della satira, della parodia, del grottesco, ad evolversi. Si pensi già ai più irriverenti esperimenti di parodia medioevale e alle dissacrazioni religiose, così come alle oscenità dei vituperia e delle tenzioni poetiche; altre volte invece l'evenzione è gioco dissacrante, è il gratuito piacere dell'assurdo o delle irfazioni linguistiche o metriche: le frottole o la poesia del nonsenso. Naturalmente sono implicati anche gli "antigeneri", e irregolare è certo quella poesia che Croce ha chiamato "diatettale riflessa", più specificamente macaronica e dialettale pavana (Folengo e Razzante), ma anche napoletana, bolognese, lombarda, romanesca, ecc., che, in qualche modo, si protrae fino a Gadda. In questa prospettiva si pone il Convegno promosso - nel quadro delle proprie attività istituzionali - dal Centro Pio Rajna per il 2005, con la partecipazione di alcuni tra i maggiori studiosi italiani e stranieri.Stories, whether they are fact or fiction, popular or not, are a proven method of pedagogy. In the age of media convergence and with the advancement of technology, stories have morphed into new forms; however, their core purpose remains the same, which is to pass on knowledge and information. The internet, with its inherent interactivity, and story, with its inherent capacity to engage, can lead to innovative and transformative learning experiences in media-rich environments. This book focuses on web-based Transmedia Storytelling Edutainment (TmSE) as an andragogical practice in higher education. Story is at the forefront of this investigation because narrative is the basis for developing entertainment media franchise that can be incorporated into pedagogical practice. The propulsion of this analysis consists of practice-based research through narrative inquiry and an e-module case study presented on multimedia storytelling in the classroom. A Transmedia Storytelling Framework is provided for creating screenplays for cross-media projects and for analyzing their appropriateness in education. Additionally, a hypertext screenplay, which allowed students to dig deeper into the story word and to build more knowledge, is evaluated for its use in higher education. Since screenplays are by nature writing for the screen, it is believed that the more visual the input, the more likely it is to be memorized and recalled. A link to The Goddess Within screenplay is available for download on the right hand side of this page.Dante Alighieri, reimagined as a holy warrior, returns from Crusade to find his fiancée Beatrice murdered and her soul ensnared by Lucifer, and he must travel through the gates of Hell to save her. Erich Auerbach’s Dante: Poet of the Secular World is an inspiring introduction to one of world’s greatest poets as well as a brilliantly argued and still provocative essay in the history of ideas. Here Auerbach, thought by many to be the greatest of twentieth-century scholar-critics, makes the seemingly paradoxical claim that it is in the poetry of Dante, supreme among religious poets, and above all in the stanzas of his Divine Comedy, that the secular world of the modern novel first took imaginative form. Auerbach’s study of Dante, a precursor and necessary complement to Mimesis, his magisterial overview of realism in Western literature, illuminates both the overall structure and the individual detail of Dante’s work, showing it to be an extraordinary synthesis of the sensuous and the conceptual, the particular and the universal, that redefined notions of human character and fate and opened the way into modernity. CONTENTS I. Historical Introduction; The Idea of Man in Literature II. Dante’s Early Poetry III. The Subject of the “Comedy” IV. The Structure of the “Comedy” V. The Presentation VI. The Survival and Transformation of Dante's Vision of Reality Notes IndexNotebook 6" x 9" Ruled 150 Lined Pages SoftcoverThis book explores intersectional constructions of race and whiteness in modern and contemporary Italy. It contributes to transnational and interdisciplinary reflections on these issues.
through an analysis of political debates and social practices, focusing in particular on visual materials from the unification of Italy (1861) to the present day. Giuliani draws attention to rearticulations of the transnationally constructed Italian ‘colonial archive’ in Italian racialised identity-politics and cultural racisms across processes of nation building, emigration, colonial expansion, and the construction of the first post-fascist Italian society. The author considers the ‘figures of race’ peopling the Italian colonial archive as composing past and present ideas and representations of (white) Italianness and racialised/gendered Othersness. Students and scholars across a range of disciplines, including Italian studies, political philosophy, sociology, history, visual and cultural studies, race and whiteness studies and gender studies, will find this book of interest.

Charles S. Singleton’s edition of the Divine Comedy, of which this is the first part, provides the English-speaking reader with everything he needs to read and understand Dante’s great masterpiece. The Italian text here is in the edition of Giorgio Petrocchi, the leading Italian editor of Dante. Professor Singleton’s prose translation, facing the Italian in a line-for-line arrangement on each page, is smooth and literate. The companion volume, the Commentary, marshals every point of information the reader may require: vocabulary; grammar; identification of Dante’s characters; historical sources of some of the incidents and, where pertinent, excerpts from those sources in their original languages and in translation; profound clear analysis of the Divine Comedy’s basic allegory. There is a complete bibliography of every aspect of Dante studies. This first part of the Divine Comedy which is illustrated with maps of Italy and the region Dante knew especially, diagrams of the circles of Hell, and plates showing some of the historic sites mentioned by Dante in his poem.

Fenoglio’s last work, the short -partisan novel- entitled “A” “Private Matter,” was published in April of 1963, two months after the author’s death. Had he been alive, Fenoglio would have been happy to witness the enthusiasm which greeted the publication of his book. Among those who read the novel and praised it most highly we find Italo Calvino: “And it was the most solitary of us who succeeded in writing the novel we all wanted to write about the war () Only now thanks to Fenoglio, we can say that a season was completed, and only now we are certain that it really existed: the season that goes from “Il sentiero dei nidi di ragno” (1947) to “Una questione privata” (1963).” “With Europe convulsed in wars over religion, a young theology student finds himself siding with heretics and the disenfranchised while confronting an agent of the Vatican who is determined to hunt down and destroy enemies of the faith, in a meticulously rendered historical thriller set against the backdrop of the Reformation. 50,000 first printing.”

Claudio Monteverdi is one of the most important figures of ‘early’ music, a composer whose music speaks powerfully and directly to modern audiences. This book, first published in 2007, provides an authoritative treatment of Monteverdi and his music, complementing Paolo Fabbri’s standard biography of the composer. Written by leading specialists in the field, it is aimed at students, performers and music-lovers in general and adds significantly to our understanding of Monteverdi’s music, his life, and the contexts in which he worked.

Chapters offering overviews of his output of sacred, secular and dramatic music are complemented by ‘intermedi’, in which contributors examine individual works, or sections of works in detail. The book draws extensively on Monteverdi’s letters and includes a select discography/videography and a complete list of Monteverdi’s works together with an index of first lines and titles. Continuano le avventure di Dante, dodicenne che ripercorre le orme del Sommo Poeta, in compagnia di Virgilio e Beatrice.Dopo aver affrontato le fiamme dell'Inferno nel primo volume Dante – Fuga dagli Inferi, si approccia alle altre due cantiche in questo nuovo volume. Come nel primo la riscrittura della Comedia dantesca è adattata magistralmente dall'autrice per un pubblico della scuola media. Solange Mela è autrice di noir e romanzi storici. Vive a Piacenza dove lavora come scrittrice e cristaloterapeuta. Insignita del premio "Autore dell'anno 2008" con Laurea ad Honorem dall'Accademia "Francesco Petrarca" di Capranica per il volume "Placentia: uomini, donne e santi.", si dedica alla produzione di romanzi dal 1999. Imagine if you will, a satirical retelling of Dante Alighieri’s Inferno starring Mickey Mouse. This is the very first of the world-famous, er, famous Great Parodies featuring classic Disney stars in outrageous spoofs of the world's greatest stories. "The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" -- from the Introduction by Pasquale Verdicchio.
war of revenge against the Nazis: blowing up trains, rescuing the last victims of concentration camps, scoring victories in the face of unspeakable devastation. Primo Levi captures the landscape and the people of Eastern Europe in vivid detail, depicting as well the terrible bleakness of war-ridden Europe. But finally, what he gives us is a tribute to the strength and ingenuity of the human spirit. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
