Appendix to the Eighth Edition of The Olive Branch

Based upon consideration of United Nation missions to the Congo (1960–64), Somalia (1992–95), and the former Yugoslavia (1992–95) and examination of counterinsurgency campaigns, Mockaitis develops a new model for intervening in intrastate conflicts and commends the British approach to civil strife as the basis for a new approach to peace operations. Both contemporary and historic examples demonstrate that military intervention to end civil conflict differs radically from traditional peacekeeping. Ending a civil war requires the selective and limited use of force to stop the fighting, safeguard humanitarian aid work, and restore law and order. Since intrastate conflict resembles insurgency far more than it does any other type of war, counterinsurgency principles should form the basis of a new intervention model. A comprehensive approach to resolve intrastate conflict requires that peace forces, NGOs, and local authorities cooperate in rebuilding a war-torn country. Only the British have enjoyed much success in counterinsurgency campaigns. Starting from the three broad principles of minimum force, civil–military cooperation, and flexibility, the British approach in responding to insurgency has combined the limited use of force with political and civil development. Carefully considered and correctly applied, these principles could produce a more effective model for peace operations to end intrastate conflict.

Orson Hyde A new religion curriculum from the team that brought you The Story of the World. In this accessible and engaging book, Peter Enns (author of the controversial and best-selling Inspiration and Incarnation: Evangelicals and the Problem of the Old Testament) provides parents and teachers with a straightforward and intelligent twelve-year plan for teaching the Bible. Written for lay readers but incorporating the best scholarly insights, Telling God’s Story avoids sectarian agendas. Instead, Enns suggests beginning with the parables of the Gospels for the youngest students; continuing on with the more complex stories of the Old and New Testaments for middle grade students; and guiding high school students into an understanding of the history and culture of biblical times.

The Olive Branch

The story of Noah's ark is told in this book through the journey of the olive branch brought by the dove. How Olivia, the olive branch, chooses to give up her life in order to bring hope to the people tells the story from a different perspective. There is a joyous ending not only for Noah and all the people and animals on the ark, but in a wonderful twist, for the olive branch, too. All proceeds from this book will be donated to the Boston Children’s Hospital.

An Olive Branch on the Family Tree

Telling God's Story: A Parents' Guide to Teaching the Bible (Telling God's Story) It's sink or swim in the search for love... Ebook bestseller The Oyster Catcher is Jo Thomas's first irresistibly feel-good novel, set on the coast of Ireland. 'A world you long to live in with characters you love' Katie Fforde Dooleybridge, County Galway: the last place Fiona Clutterbuck expects to end up, alone, on her wedding night. But after the words 'I do' have barely left her mouth, that's exactly where she is - with only her sequined shoes and a crashed camper van for company. One thing is certain: Fi can't go back. So when the opportunity arises to work for brooding local oyster farmer, Sean Thornton, she jumps at the chance. Now Fi must navigate suspicious locals, jealous rivals and an unpredictable boss if she's to find a new life, and love, on the Irish coast. And nothing - not even a chronic fear of water - is going to hold her back. Join Fi as she learns the rules of the ocean - and picks up a few pearls of Irish wisdom along the way. What readers are saying about The Oyster Catcher: 'A fantastic debut novel which was the perfect escapism read; I literally could not put it down and read it at every opportunity I could get' 'Beautifully written. You feel like you are breathing in the sea air and walking along the sand' 'A realistic romance with some strong and colourful characters, set in a fascinating, modern Irish coastal community'

Peace Operations and Intrastate Conflict At the forefront of its field, The Broken Olive Branch examines the dynamics of ethnonationalism in Cyprus, a country torn in two by decades-long struggles fueled by ethnic rivalry. Harry Anastasiou's analysis of Cyprus's historic conflict through the lens of conflict analysis and resolution traces the division of Greek and Turkish Cypriots since the country's independence from British rule and mediation in 1960. In the first of two volumes, Anastasiou offers a detailed portrait of Cyprus's dual nationalisms, identifying the ways in which the ideologies undermined the relations between Greek and Turkish Cypriots. The author demonstrates how the ethnic rivalry was largely engineered by the leaders of each community. Taking a multilevel approach, he maps out the changes in ethnonationalism over time, tracing the impact of political leadership and international relations. In the second volume, Anastasiou focuses on recent attempts to reach mutually acceptable agreements between the Greek Cypriots and Turkish Cypriots. He documents the transformation of Greece, Cyprus, and Turkey within the context of globalization. While leaders of both communities have failed to resolve the conflict, Anastasiou argues that the accession of Cyprus into the European Union has created a structure and process that will eventually yield a multi-ethnic, democratic Cyprus. With great depth and balance, The Broken Olive Branch presents new insights and a fresh analysis of the Cyprus conflict and the influence of nationalism.

The Olive-branch, Or, Poems on Peace, Liberty, Friendship, &c

The Broken Olive Branch: Nationalism, Ethnic Conflict, and the Quest for Peace in Cyprus 'An epic tale... told relentlessly well. If you want to read a serious account of the price of Zionism, and a sobering review of Israel's new role as conqueror and occupier, then Hirst is your man.' Christopher Hitchens A myth-breaking general history of the Israeli-Palestinian
The Gun and the Olive Branch traces events right back to the 1880s to show how Arab violence, although often cruel and fanatical, is a response to the challenge of repeated aggression. Banned from six Arab countries, kidnapped twice, David Hirst, former Middle East correspondent of the Guardian, is the ideal chronicler of this terrible and seemingly insoluble conflict. The new edition of this 'definitive' (Irish Times) study brings the story right up to date. Amongst the many topics that are subjected to Hirst's piercing analysis are: the Oslo peace process, the Israeli occupation of the West Bank and Gaza, the destabilising effect of Jewish settlement in the territories, the second Intifada and the terrifying rise of the suicide bombers, the growing power of the Israel lobby - Jewish and Christian fundamentalist - in the United States, the growth of dissent in Israel and among sections of America's Jewish population, the showdown between Sharon and Arafat and the spectre of nuclear catastrophe that threatens to destroy the region. '

''Hirst's' peerless reporting has earned him curses, expulsion and respect in virtually every country in the region.' Guardian

The New Olive-branch

The Olive Branch. (On Books—On Flowers—On Friendship—On Love. [In Prose.] The Kingdom of God. [In Verse.]).

The Olive Branch After a Prosecco-fuelled girls' night in gets out of hand, Ruthie Collins awakes to discover that she has bid for her dream Italian home online - and won. Recently out of a relationship, a new start is just what Ruthie needs. Anything is better than sleeping on her mum's settee. But arriving in Southern Italy, Ruthie doesn't know the first thing about running an olive farm. And with new neighbours, the tempestuous Marco Bellanovu and his fiery family to contend with, all Ruthie wants is to go back home. Life can change with the click of a mouse. But all good things - friendship, romance, and even the olive harvest - take time to grow. Can Ruthie finally put the past to rest and find her own piece of the Dolce Vita along the way?

Decision-making in the White House Dominated by the personalities of three towering figures of the nation's middle period -- Henry Clay, John C. Calhoun, and President Andrew Jackson -- Olive Branch and Sword: The Compromise of 1833 tells of the political and rhetorical dueling that brought about the Compromise of 1833, resolving the crisis of the Union caused by South Carolina's nullification of the protective tariff. In 1832 South Carolina's John C. Calhoun denounced the entire protectionist system as unconstitutional, unequal, and founded on selfish sectional interests. Opposing him was Henry Clay, the Kentucky senator and champion of the protectionists. Both Calhoun and Clay had presidential ambitions, and neither could agree on any issue save their common opposition to President Jackson, who seemed to favor a military solution to the South Carolina problem. It was only when Clay, after the most complicated maneuverings, produced the Compromise of 1833 that he, Calhoun, and Jackson could agree to coexist peaceably within the Union. The compromise consisted of two key parts. The Compromise Tariff, written by Clay and approved by Calhoun, provided for the gradual reduction of duties to the revenue level of 20 percent. The Force Bill, enacted at the request of President Jackson, authorized the use of military force, if necessary, to put down nullification in South Carolina. The two acts became, respectively, the olive branch and the sword of the compromise that preserved the peace, the Union, and the Constitution in 1833. A careful study of what has become a neglected event in American political history, Merrill D. Peterson's work spans a period of over thirty years -- sketching the background of national policy out of which nullification arose, detailing the explosive events of 1832 and 1833, and then tracing the consequences of the compromise through the dozen or so years that it remained in public controversy. Considering as well the larger question of decision making and policy making in the Jacksonian republic, Peterson nonetheless never loses sight of the crucial role played by the ambitions, whims, and passions of such men as Calhoun, Clay, and Jackson in determining the course of history.

Sword and Olive Branch

The Olive Branch What would you do if an invading army occupied your country? Denise Dumont answers this difficult question. After landing a teaching post and marrying Andra(c) Reynaud, Denise faces a dilemma when the German army marches into Paris. The disruption of city services, bombing raids, and store closings leaves her frightened and furious. Will her life ever be normal? In 1940 while living in Paris, Denise joins the Resistance and works with friends to free her country. She is livid when her aunt moves in with a German colonel,
witnesses the death of her husband, and courageously endures the lack of food, heat, and electricity. Later, she moves to the south of France and becomes more committed to the Resistance after her parents are murdered. While traveling with a Jewish family, she makes a harrowing choice which will forever change her life.

A Memorial

The New Olive-branch

The Olive Branch from Palestine Silvia Greco is broke and living with her father in New Jersey when her mother asks her for help in gathering her family together for a celebration commemorating her younger brother's high school graduation. Uniting her feuding family who haven't been together in over six years and whose parents are newly separated is a great challenge. Her peacemaking journey takes on a deeper significance when she realizes that her own happiness is linked to the disharmony in her family. Can she make peace in her family and save them from devolving into families like those of her parents with siblings who are estranged from one another? Read this award-winning book to find out while immersing in a wonderful world of unforgettable, quirky characters, humor, inspiration and delicious food! BEST OF LIST, SUSPENSE MAGAZINE! 5 STAR REVIEW FROM INDIE READER!

The Olive Branch, Or, Faults on Both Sides, Federal and Democratic. A Serious Appeal on the Necessity of Mutual Forgiveness and Harmony

The Olive Branch; Or, Faults on Both Sides Federal and Democratic "This work is submitted to the public with an uncommon degree of solicitude and anxiety. The subject it embraces, and the objects it has in view, are of inexpressible magnitude. The former is the present critical situation of the United States, with the causes that have led to that situation; the latter, the mitigation of party rage and rancour, and the restoration of harmony. It is no longer doubtful that a conspiracy exists in New England, among a few of the most wealthy and influential citizens, to effect a dissolution of the union, at every hazard, and to form a separate confederacy. This has been believed by some of our citizens for years, and strenuously denied by others, deceived by the mask the conspirators wore, and by their hollow professions. But it requires more than Boeotian stupidity and dulness, to hesitate on the subject, after the late extraordinary proceedings, which cannot possibly have any other object." --Preface to the first edition, Philadelphia, Nov. 8, 1814.

Olive Branches Don't Grow on Trees

The Olive Branch, Or Faults on Both Sides, Federal and Democratic Third Edition Improved

Olive Branch and Sword Can love bloom in the groves of Italy? Escape to Italy with The Olive Branch - the irresistible new novel from Jo Thomas, author of ebook bestseller The Oyster Catcher. 'I loved it!' Katie Fforde You can buy almost anything online these days. For Ruthie Collins, it was an Italian farmhouse. Yet as she battles with a territorial goat and torrential rain just to get through the door of her new Italian home, the words of Ed, her ex, are ringing in her ears. She is daft, impetuous and irresponsible. But Ruthie is determined to turn things around and live the dream. First, though, she must win over her fiery neighbour, Marco Bellanouvo, and his family Then there's the small matter of running an olive farm. As the seasons change and new roots are put down, olives and romance might just flourish in the warmth of the Mediterranean sun. What readers are saying about The Olive Branch: 'Characters that come to life and each chapter comes with a smile. An uplifting and thoroughly enjoyable read providing a little escapism, a little romance and a lot of determination' 'A heart-warming book you will find hard to put down' 'A feel-good book. Great for a holiday read'

The Olive Branch

The Olive Branch, Or, The Evil and the Remedy Orson Hyde was chosen as an original member of the Council of the Twelve in 1835, when the Mormon Church first organized this governing body. Orson's most well-known accomplishment was as a Mormon missionary to Jerusalem (1840-1842) to dedicate the land for the return of the Jews. Civil authorities in Jerusalem invited the development of a five-acre hillside garden, in honor of Orson Hyde, which was completed in 1979. Participating in the Mormon drama of crossing the plains in the U.S. several times and settling the West, Orson was a colonizing leader in western Iowa, also in what became western Nevada, and in central Utah. He was a major figure in Utah's Black Hawk Indian War (1865-1872). Using facts, details and personal experiences never before in print, Myrtle Hyde, the Hyde family genealogist, has used diaries, letters, notes, documents, reports, articles, speeches and letters to present a real-life depiction of Orson Hyde, apostle, teacher, missionary, orator, scriptionian, journalist, editor, lawyer, judge, statesman, colonizer, and administrator; also the husband of eight wives, the father of thirty-three children. Contains an extensive Index and Bibliography.

Olivia the Brave Olive Branch: a Story of Hope "In The Olive Branch from Palestine, Segal provides in the first part an analytical and historical study of the 1988 Declaration, a remarkable act of unilateral peacemaking through which the PLO accepted the legitimacy of the 1947 Partition Resolution and thereby redefined Palestinian nationalism. In the second part, he proposes a new strategy based on solutions to the two core issues of 1948: the preservation of a Jewish state, and the rights and circumstances of Palestinian refugees. With The Olive Branch from Palestine, Jerome Segal offers a new narrative of the peace process and details a Palestinian-led strategy that could end the conflict"--
